

Scott Khanna

Scott Khanna is a master at finding the right fit. With a deep background in executive search, he assists the Matrix portfolio with identifying and securing top talent. Prior to joining Matrix, Scott served in various recruiting capacities at eBay & PayPal for more than five years. In his most recent role, Scott built and managed eBay's Center of Excellence for Executive Search. Additionally, he was responsible for leading a team of in-house executive search consultants with global responsibility for setting strategies to address the most critical leadership (SVP, VP, & Director) roles across eBay, Inc. (PayPal, eBay Marketplaces, Classifieds, and Global Functions).
